

PRODUCT COLOR CODE KEY

(for assembly of MossBack single products, kits, and bundles)

Our habitat assembly is as simple as color matching! The color coded key below will assist you with which trunks, limbs, and bases go together. You will find the end of the trunks color coded, as well as the sides of the base *(if applicable)*.

Color	Habitat Product	Limb Length
Yellow	Root Wad, Root Wad Kit	46"
Orange	Spawning Bed*	46"
Lime	Weed Line Laydown	23"
Light Pink	Crawfish Condo	23"
Red	Trophy Tree, Trophy Tree Kit*	46"
White	Safe Haven, Save Haven Kit*	46"
Green	Trophy Tree XL, Trophy Tree XL Kit*	60"
Blue	Safe Haven XL, Safe Haven XL Kit*	60"
Pink	Reed Mat	60"
Purple	Predator Prey Combo Tree	46" 60"
Teal	John Godwin Signature Crappie Tower	46" 60"
Gold	Shoreline Laydown <i>(sold only in Fish City)</i> , Laydown Log <i>(sold only in bundles)</i>	46"

**This item includes a base. To assemble, match the color on the base with the corresponding color on the bottom of the trunk.*
